Debtor(s)

In Chapter 13 Proceeding

No. 19-41717

**RESPONSE TO OBJECTION TO
CONFIRMATION**

COMES NOW the above-referenced debtor(s) through their attorneys of record and states:

Debtors have been told by Specialized Loan Servicing when they inquire as to their status that they are current and no extra payments will be accepted. They are also informed that their monthly payment is \$460.22 which conflicts with the amount stated in the Objection to confirmation by Specialized Loan Servicing stating the post petition payment amount is \$885.32 and arrears in the amount of \$1029.15. Debtors contest this amount and have asked for proof of this monthly payment and delinquency which has not yet been provided.

The Debtor(s) request that the Objection to Confirmation be denied without proof of current payment amounts and proof of any arrears and that the Plan be confirmed.
